

Klisch Pilsner

Named after our brewery's founders, Russ and Jim Klisch, this beer is brewed in the tradition of great Czech pilsners.

A beautiful, brilliant blonde-gold pour with a light hoppy aroma. Malts and a slight hop bitterness round out the flavor of this classic style. Klisch is a smooth and full bodied golden lager you'll remember forever.

Try Klisch Pilsner with any Bohemian or German dish, especially sausages. This beer has a full enough body to stand up to spicy and rich foods as well. Ideal Serving Temp: 45-47° F
