

# Wheat Monkey

Wheat Monkey Ale captures the fresh, unfiltered spontaneity of our brewers' creativity. Crisp and refreshing year-round, this American Wheat Ale pours a lazy, hazy golden color. Its large, white, foamy head can be attributed to the generous amount of malted white wheat added to the mash. The aroma is enhanced by our fruity house ale yeast and its fresh baked bread flavors are perfectly balanced with a Cascade hop addition. This easy drinking wheat beer pairs well with a wide range of foods, such as green salads, feta and gouda cheeses, steamed or baked seafood, and grilled chicken.
