Barton Associates Promotes Fry to Marketing Specialist

York, PA - May 26, 2010 - Barton Associates, Inc., a mechanical, electrical and plumbing consulting engineering firm, located in York and State College, PA, recently promoted Kelly Fry to Marketing Specialist.

Fry is a graduate of the Pennsylvania State University with a bachelor's degree in Communications and is currently pursuing an MBA with Keller Graduate School. Fry has worked for the company for over a year and has previous experience in advertising. She resides in State College, PA.

As a marketing specialist working in the firm's State College office, Fry is responsible for supporting the production, development, and distribution of the firm's marketing initiatives including proposals and qualifications packages as well as direct marketing and public relations efforts.

Incorporated in 1968, Barton Associates, Inc. is a nationally recognized consulting engineering firm providing mechanical, electrical, plumbing, fire protection, control systems and design and commissioning services. The firm has more than 50 employees and provides engineering consulting services for a variety of education and healthcare facilities throughout the Mid-Atlantic Region. For more information on Barton's services and experience, visit our web site at www.ba-inc.com.
