Letter No. 3/2011

4th February 2011

Dear Parents

Academy Status

We are delighted that on Tuesday 1st February we officially achieved academy status. Thank you to everyone who has supported us in recent months and to those who stayed in the cold for our ribbon cutting ceremony on the morning itself.

Hopefully you will have seen the article and photograph in the Basingstoke Gazette on Thursday 3rd February. If you have not yet seen it we have a copy in the notice board at the front of the school.

Eventually, when the weather is warmer, we hope to have a party in the style of the 'Ofsted celebration' and we hope you will be able to join us.

The Sustainability Centre

On Tuesday 8th February, the infant children from Year R to Year Two will be visiting the Sustainability Centre in East Meon. The Year Three and Year Four children will be visiting on Wednesday 9th February. Please return permission slips and contributions to the office on Monday 7th February. Unfortunately, the children will be unable to attend without a signed consent slip.

Lego Building Day

On Wednesday, the children in Year Five and Six will be taking part in an exciting town planning day using Lego bricks. Please see the letter on the website for further details.

World Book Day

We shall be celebrating 'World Book Day' on Friday 3rd March. There will be lots of activities on this day including the 'Speaking and Listening Competition'. I know you will appreciate some advance warning that this is a dressing-up day and the theme is nursery rhymes/fairy tales!

Cars Outside School

It is really good that so many of you have taken up the offer of the mini-bus. This combined with the morning drop-off of 8.15am and the early morning clubs has certainly help to ease the traffic congestion outside school. Recently, however, concerns have been raised that cars are being parked in the drop-off zone, in the staff car park and across the entrance. This is creating potential accident black-spots and in order to keep all adults and children as safe as possible, we would be grateful if everyone could drive carefully and park responsibly. Thank you for your cooperation.

Communication via website

Many of you will have read our letters posted on the website. As this reduces our 'Carbon Footprint' we would like to continue with this method of communication, however, we would like to ensure that you are receiving our text alerts and therefore not missing out on events at school. If you not receiving these texts please complete the slip below to enable us to update our records.

Hopefully the weather will be kind to us and we can all enjoy a nice weekend!

Kind regards

Suzanne Kelly
