Barton Associates' Employees Earn Registrations and Certifications

York, PA – February 1, 2010 – Barton Associates, Inc., a mechanical, electrical and plumbing consulting engineering firm based in York, PA recently announced that four employees have recently earned registrations and certifications.

Benjamin L. Heyser and Brian E. Pitzer both earned Professional Engineer (PE) registrations from the Pennsylvania State Registration Board for Professional Engineers, Land Surveyors and Geologists. Heyser has served as a HVAC Designer with the firm for four years and Pitzer has served as an Electrical Designer for nine years.

Seth K. Gladfelter earned an Engineer-in-Training (EIT) registration from the Pennsylvania State Registration Board for Professional Engineers, Land Surveyors and Geologists. He joined Barton Associates in April 2009 as a HVAC Designer.

George E. Thompson recently earned a LEED® Green Associate (LEED GA) certification from the Green Building Certification Institute (GBCI). Thompson has been a Construction Services Representative with the firm for four years.

Incorporated in 1968, Barton Associates, Inc. is a nationally recognized consulting engineering firm providing mechanical, electrical, plumbing, fire protection, control systems design and commissioning services. The firm has more than 55 employees and provides engineering consulting services for a variety of education and healthcare facilities throughout the Mid-Atlantic Region from its York and State College, PA offices. For more information on Barton's services and experience, visit our web site at www.ba-inc.com.
