Subject: Follow up on Prior Release

On Sunday 4/17/2011, I sent out a media release regarding a fatal vehicle crash that occurred in Streetsboro at 505am Sunday morning. Here is the content of that release:

"On Sunday 4/17/2011 at 505am, the Streetsboro Police and Streetsboro Fire Departments responded to a report of a one vehicle crash in the 8900 block of Diagonal Road. Responding units found a 2001 red Kia Sportage had crashed into a tree. There was one occupant, Adrian L Spetich, 27 years of age, of Madison OH. She was pronounced dead at the scene of the crash. The crash is still under investigation"

As a follow-up to the above release, the Streetsboro Police Department has determined that this was a one vehicle crash that occurred due to the driver losing control of the vehicle and going off the left side of the road and striking a tree. Excessive speed was a factor in the crash and alcohol use is suspected however the toxicology results are still pending. The driver of the vehicle was not wearing a seat belt at the time of the crash.
