THE FRAZZLED FEMALE

Kathy Kay

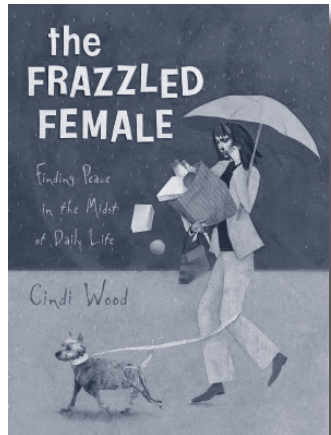

Kathy Kay

For the past six weeks, I have been privileged to participate in The Frazzled Female Bible Study.

The author of the book is Cindi Wood, and her passion is to help women discover that a growing intimacy with Jesus Christ is the key to dealing with all areas of life---including the daily stress that often gets the best of us.

This is the first time we have offered a Bible study of this nature here at Sav-A-Life. The theme is finding peace in the midst of daily life. As we all know, life happens!!! We all need help learning to “give thanks in all situations” as the Lord commands us to do. Attendance has been great and we have really seen the Lord move in our midst. We are learning how to be “Marys” and sit at the feet of Jesus. A very wise woman once shared with me that God created us to be human beings, not human “doings.” I’ve also read in one of my devotional books that when we learn how to “be”, the doing will take care of itself. Let’s all be challenged to let the Lord show us how to take a bath in His grace and discover REAL rest for our souls!
