

The Folks We Can't Find

Even working with rosters from earlier reunions, internet phone books, friends, relatives, other classmates and yes, even our actual annuals, we've not been able to find about 150 members of our class. They're listed below. If you have any information about any of them, even if it's not current, please email it to cheyenneclassof1960@gmail.com or phone Jeanette Leinen Cartie at 307-421-4194.
