

# Riverwest Stein

Our flagship beer, named after the hardworking neighborhood in which Lakefront Brewery was founded.

Pours a brilliant amber with a bubbly off-white head. Aromas of American hops mingle with a slight floral character from the German lager yeast. A balanced maltiness with just a hint of sweetness dominates the flavor, with a crisp hop bite in the finish. A joy to drink; no wonder it's Milwaukee's favorite craft beer.

Pair this beer with any good German entrée like schnitzel or rouladen and you'll have an instant hit. Ideal Serving Temp: 46-48° F
