Barton Associates Promotes Two Key Staff Members

York, PA – January 20, 2011 – Barton Associates, Inc., a mechanical, electrical and plumbing consulting engineering firm located in York, State College and Harrisburg, PA recently promoted two key employees to further Strengthen and Grow their Branch Offices.

Roger Thies, PE, LEED AP was named Vice President of the State College Office and Robert Weidner, PE, LEED AP, CxA was named Vice President of the Harrisburg Office.

Thies has over 15 years of experience and previously served as the Director of Operations for the State College office. Thies was instrumental in establishment of Barton Associates first branch office over three years ago. Thies is a professional engineer in Pennsylvania and Maryland and is a LEED® Accredited Professional with the U.S. Green Building Council.

Weidner, a ACG Certified Commissioning Authority, as well as a professional engineer in Pennsylvania and Nebraska and a LEED® Accredited Professional with the U.S. Green Building Council, has over 27 years of experience. Weidner previously served as a Principal for IEQ Engineering, Inc which merged with Barton Associates in June 2010.

In their new roles, they will continue to oversee the daily activities of the office, manage projects and serve as the primary contact for clients. They will also be responsible for establishing new business relationships for further growth of their regional offices.
