Barton Associates' Welcomes Two New Hires to its State College Office

York, PA – June 14, 2011 —Barton Associates, Inc. recently hired Kyle Courtney, EIT as HVAC Designer and Michael Lucas, EIT as Electrical Designer to work in their State College office.

Courtney is a recent graduate of the Pennsylvania State University with a bachelor's and master's degree in Architectural Engineering and a minor in Architecture Studies. He is a member of American Society of Heating, Refrigerating and Air Conditioning Engineers (ASHRAE), Student Society of Architectural Engineers and serves as the President for Coalition for Christian Outreach.

Lucas is also a recent graduate of the Pennsylvania State University with a bachelor's degree in Architectural Engineering. He previously served as an intern where he had valuable experience with Building Information Modeling technology.

Courtney and Lucas will both be responsible for performing design calculations and layouts; computer selections, research and specifications for equipment and research of code requirements. They will also assist with the preparation of studies, reports, specifications and probable construction costs for projects.

Incorporated in 1968, Barton Associates, Inc. is a nationally recognized consulting engineering firm providing mechanical, electrical, plumbing, fire protection, control systems and design and commissioning services. The firm has nearly 60 employees and provides engineering consulting services for a variety of education and healthcare facilities throughout the Mid-Atlantic Region from its York, Harrisburg and State College, PA offices. For more information on Barton's services and experience, visit our web site at www.ba-inc.com.
