Dear Parents,

9th February, 2012

RHS Wisley

We have arranged for the children to visit RHS Wisley, Guildford. The **infants** visit will take place on **Wednesday 22nd February** and the **juniors** on **Thursday 23rd February**. The children will leave school at 9.15am and return by 3.15pm, they will travel on coaches operated by Mortons. During the visit, the children will partake in a number of activities appropriate to their age, which have been agreed by the school. Two members of staff have now visited the centre and taken part in a thorough site tour. For further information please visit the website at www.rhs.org.uk/Children.

As some of the activities will take place outside and as the site is open to the elements we recommend that your child wears layers of appropriate outdoor clothing (that can be added to or removed as necessary). Appropriate dress would be:-

- Wellington boots and a spare pair of thick socks * **Please provide a named peg to keep boots organised**
- Old trousers, jumper/fleece, t-shirt
- Thick waterproof jacket, hat and gloves
- Trainers and spare trousers in a named plastic bag

We would like to request a contribution of £7.00 to assist in funding this educational visit including a 'goodie bag'. We would also like to thank the Parents' Association for kindly subsidising the remaining balance of this trip. We are lucky to be able to provide the children with so many educational trips and visits, however, without parental support and Parents' Association contributions we would be unable to offer such an extensive programme of enrichment activities. No child will be excluded from the visit if parents are either unwilling or unable to pay; however, if insufficient voluntary contributions are received, regrettably the trip will be cancelled.

Please provide your child/children with a packed lunch including a drink (not fizzy), please note the site encourages 'environmentally friendly packed lunches'. If the waste produces from our children's entirely recyclable then we will be able to bring home a certificate

If your child requires specific medication, eg inhaler/epipen, please ensure that you send it to school on the day to ensure your child's participation in the event. Please inform the school if you have any other medical concerns.

We hope that your child is able to participate and will enjoy the day. Should you wish to see a copy of the risk assessment for the days, these are available from the school office. Please complete the slip below and return to the school office as soon as possible.

Yours sincerely,

Suzanne Kelly
