Tuition Credit Program

One of the best ways Victory Christian School (VCS) has been able to grow is through the kind words our families share about us. VCS has many students who have been recommended by current families. Our Tuition Credit Program is being established to keep tuition costs at a minimum and to encourage families to recommend VCS to others.

Here is how the VCS Tuition Credit Plan works:
For every NEW student that enrolls for at least one semester at VCS because of your recommendation, you will receive one month's FREE tuition for your oldest child! There is no limit to the number of students you may recommend! Just give the bottom portion of this form to the family making application to VCS and be sure they turn it in with their application.

CONDITIONS :

1) A parent recommends VCS to a new family not presently enrolled at VCS
2) They report the recommending family's name with their application
3) The new child enrolls and remains at VCS for at least one semester
4) The referring family receives one month's tuition credit applied to the oldest child's account
5) All tuition and fees must be current **by the end of the first semester** for both your family and the referred family in order to receive the credit

We hope you will enjoy the tuition savings available in this program, and thank you spreading the good word about Victory Christian School!

Clip and give to the family applying to VCS. This must be turned in with the application.
