

# Cherry Lager

As refreshing as a Door County vacation! This light ruby-red beer pours with a thick, slightly pink head resulting from the ample amounts of real, juicy Door County cherries. Aromas of tart cherries lead into a nice spritzzy cherry flavor, balanced by a subtle malty background and low hop bitterness. Enjoy!

Try our cherry lager with broiled walleye or whitefish fillets, especially if they're topped with a fruit salsa. For an interesting twist, have this one on the side with plain vanilla ice cream...or if you're brave enough, try making a cherry float! Ideal serving temp: 45-47° F.

Alcohol by volume: 5.5%

Available in the following formats:  
Cases - 4/6/12 oz Bottles (355 ml)  
Half-barrels (15.5 gallons - WI only)
