BIOGRAPHY UPDATE FOR MEMORY CD

The committees are hard at work preparing for our exciting 50th high school reunion!

To make this a memorable event, a Memory CD Committee has been formed with the goal of collecting pictures, stories, events, biographical sketches, etc. that can be used and published as either CD or Book format. Jerry Calkins and Tom Cole are Co-chairing this endeavor.

To accomplish this goal, we need your help. We are requesting that you send us anything about yourself, your memories, etc that you would like to share with your classmates.

To help get you started, we have attached a Biographical Sketch Form. We would appreciate it if you would complete and return it to us. Feel free to add anything that you feel will make this a memorable record. Tell us what you have done since high school. Include any pictures, articles, etc.

We would really like for you to send in a current individual or family picture. A jpeg picture via email works well if you can do that. However, we can scan a hard copy picture if need be. Enclose a self-addressed stamped envelope if you want the hard copy pictures returned. The current plan is to have the Memory CD or Book ready at the reunion.

The sooner we can receive your response to our request the better. We are working with a deadline of **March 26, 2010**. There is much to do and not a lot of time to accomplish it. Please write legibly.

Send your memory biography information by mail or email to:
