

Welsh Region report

There was a good turnout of sheep at the RWAS show this year with three new members competing , although compared to previous years the number of Southdowns is still down. Following the competition on Tuesday we had our usual gathering and BBQ which is always well attended. It's the only time some of us are able to meet up and put the world to right.

As you all know the Field Day was held this year in Anglesey by Tom and Lynne Rowlands , it was well attended and I would like to thank them both for their hard work and the welcome given to all.

Some members have asked for a trimming session , some days have been booked but due to unforeseen circumstances have had to be cancelled last minute . I hope to reorganise a day in the next few weeks.
