

Product Disclaimer and Warnings

Any and all disclaimers that are applied to the product and claims by the manufacturer, Mind Alive, Inc., also apply to this distributor and its employees, agents or family of Our Life Designs.

The Operator's Manual for each device explains the following:

The David Pal line of training devices is not recognized as a treatment or cure of any medical condition or disability. However, research suggests that the David Pal line of devices are effective relaxation and meditation tools.

Warning about and FOR people who have experienced seizures using these devices.

All persons who:

1. have a history of epilepsy, photic epilepsy or an seizure disorder,
2. suffer from any mental disorder or psychiatric illness
3. are currently using ANY drugs (prescription or recreational)
4. are under the influence of alcohol
5. have had any head injuries
6. has ever had seizure of any kind

SHOULD NOT USE the DAVID Pal or any of its line of devices unless under the supervision of a health care provider qualified in the safe detection of seizures.
