Dear Pastor Jones and Temple Baptist Church,

Merry Christmas and a Happy New Year! We hope this letter finds you well. Thank you for your continued prayer and support. I apologize for the delayed letter, things have been very busy around here. We have seen 4 saved and baptized in the last 4 weeks. Three of them grew up in this very church. On December 1, our son Riley who is 13 years old now, was born again. The Lord is still working in and through His ministry here, Praise the Lord. As we are moving forward into the New Year, 2012, it is hard to imagine that we have been here almost one year. Where did the time go?

The church is doing well and in a better place financially. We had our first annual business meeting at the end of November. It is a blessing to look back and see how the Lord has blessed over the last year. The church had a large amount of outstanding debt when we came that we were able to pay off, it made things tight throughout the year; but God is faithful to His work, AMEN. After the meeting we praised the Lord looking forward to 2012 to see how God would move among His people. On December 2, we received a love gift to the church for the exact amount that had been spent paying off the outstanding debt from earlier in the year, over \$10,000. How amazing our God is! We praise the Lord for His faithfulness. As the church has gained ground financially they have been able to give us a raise to help compensate the financial burden that you as our sending church has held for the Lord in 2011. We ask that you consider cutting back the missions support given for the ministry here, and allow the Lord to use it in other areas. We are grateful for your support please continue to pray for us as we trust the Lord. We will continue to pray for each of you. Some have already moved their financial support to other areas and we are grateful to see it go to other mission works. Thank you again for your loving prayers and support the ministry over the last year, it would not have been as successful without you. We Love Temple Baptist Church and want you to know how special each member is to us and we miss and love all of you!

For lost souls around the globe,
