

Quick Tips

User ID _____ and Password _____

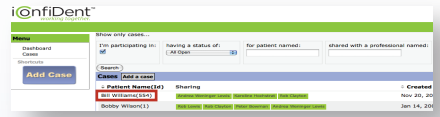

1 Please **click on my email** invitation I sent from ims@iconfident.com -
Create your **Free** account and log in (this will tie you into cases I have shared you on)

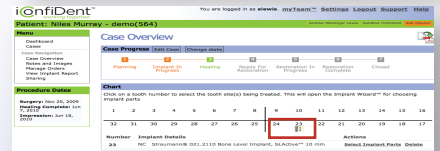

2 Click on **Cases** on the left side of the page

3 Click a **Case** to view
View and interact with centralized information associated with the case
Notes, x-rays, images and reports

4 Click the **implant icon** in the tooth chart to view implant placed and associated restorative components

5 Click **Final Abutment** to select and order the restorative components
