### **Barton Associates' Welcomes Two New Hires to its State College Office**

York, PA – March 30, 2010—Barton Associates, Inc. recently hired Adam Warriner, PE as HVAC Designer and Joseph Pawell as Senior Electrical Designer to work in their State College office.

Warriner is a graduate of the Pennsylvania State University with a bachelor's degree in Architectural Engineering and has nine years of experience as a HVAC designer. Most recently, he was employed as a Mechanical Engineer by Affiliated Engineers, Inc. in Chapel Hill, NC. He is a member of American Society of Heating, Refrigerating and Air Conditioning Engineers (ASHRAE). He resides in Millheim, PA.

Pawell holds a bachelor's degree in Science in Industrial Technology from The State University of New York at Oswego and has nearly 30 years of design experience. He was previously employed by Skibinski Associates in State College, PA and resides in Spring Mills, PA

Warriner and Pawell will both be responsible for performing design calculations and layouts; computer selections, research and specifications for equipment and research of code requirements. They will also assist with the preparation of studies, reports, specifications and probable construction costs for projects.

Incorporated in 1968, Barton Associates, Inc. is a nationally recognized consulting engineering firm providing mechanical, electrical, plumbing, fire protection, control systems and design and commissioning services. The firm has more than 55 employees and provides engineering consulting services for a variety of education and healthcare facilities throughout the Mid-Atlantic Region. For more information on Barton's services and experience, visit our web site at [www.ba-inc.com](http://www.ba-inc.com).
