

**20<sup>th</sup> Annual Family Camp**  
**Sponsored jointly by the New England  
Hemophilia Association and the Hemophilia  
Treatment Centers of New England**  
**July 25-July 28, 2012**  
**Geneva Point Center, Lake Winnepesaukee, NH**

Family Camp is celebrating its 20th Anniversary this year, and we hope that you can be there to celebrate with us!

**What is Family Camp?**

Family Camp is a wonderful mix of fun, education, and support for families in the bleeding disorder community. An on-site daycare is offered for our littlest campers (ages 6 months - 2), and campers ages 3 - 12 are assigned to small groups with counselors and participate in activities including arts & crafts, woodshop, archery, field games, waterfront activities, music and movement/yoga and more.

New this year, youth ages 13 - 15 can participate in our Adventure Club. This new group will get to do some of their favorite camp activities like using the waterfront and archery, but they will also get to participate in an off-site field trip and other activities not available to the younger campers.

While the campers are with their counselors, parents will have time to relax with other families and attend sessions on a variety of topics relevant to our community. We also offer three different levels of self-infusion classes for children ages 4 through adults.

Teens 16+ are invited to apply for a counselor or staff position. (Counselors and staff will report to Camp on Tuesday, July 24th.)

### **Location**

Family Camp takes place at **Geneva Point Center** in **Moultonborough, New Hampshire** located on Lake Winnepesaukee. The Camp is very rustic, but the natural setting is beautiful. Families stay in unheated cabins that have bunk beds, electricity, and a half bath. Shower houses are located near the cabins. Families also have the option to bring a tent or small camper instead. For more info about Geneva Point, visit [www.genevapoint.org](http://www.genevapoint.org).

### **Registration Process**

To apply for Family Camp 2012, please complete the enclosed application form and return it to the NEHA office by Friday, March 16th. Applications received after this deadline will be placed on the Waiting List.

The registration fee for Family Camp is:

- \$100 per family for NEHA Members
- \$150 per family for non-members

This fee only covers a small portion of our total camp expenses. On average, it costs over \$1,200 PER FAMILY to run Camp. NEHA subsidizes the additional cost through the generosity of our corporate partners and individual donors.

Families will be selected by the Family Camp Planning Committee in late March, and we will notify families by the beginning of April if they have been accepted to Camp. If your family is placed on the Waiting List, your check will be returned. A limited amount of financial aid is available to waive or reduce the fee for those who cannot afford it. Please contact NEHA or your hemophilia center for more information on financial assistance.

### **Questions?**

If you have any questions, please contact Lisa Schmitt, the NEHA Program Director, at 781-326-7645 or [lschmitt@newenglandhemophilia.org](mailto:lschmitt@newenglandhemophilia.org).
