

X-TREME IMPACT

a ministry of Neighborhood Bible Time

Help your teens take the next spiritual step!

What is the goal of extreme impact?

- ★ To teach teens a proper view of God
- ★ To reinforce their need for personal holiness
- ★ To see them make a decision to live for God and share their faith

Why try extreme impact?

Teenagers struggle to keep their relationship with God strong. While they desire to do right, they often find themselves entangled in the things of the world.

Extreme Impact can jump-start your youth group with an action-packed weekend of discipleship. The weekend is focused on creating a right view of God as the foundation for Godly living. The program will confront your teens with their own sin and need for personal holiness in a biblical way. It will transform their relationship with God and with others, specifically parents, and motivate them to be ministry minded. It can help your youth group take the next spiritual step.

While the teens will have a great time being with friends and competing in games, the emphasis of the weekend is unmistakably spiritual.

5 Reasons NBT Will Impact Your Ministry

NBT has what it takes to make your summer outreach a success! What other program gives you 2 trained evangelists who spend 12 to 14 hours a day working with your ministry? NBT can make this summer's outreach your best one yet, and here are a few reasons why:

1 Christ-centered philosophy

NBT lifts up Jesus Christ in all that we do. This philosophy drives everything about our program from the teaching and preaching, to the games and activities. We exalt Him in every rally as Lord and Savior.

2 Bible-focused Teaching

Our rallies are saturated with Bible teaching. The program is carefully designed to teach truths of creation, salvation, holy living, and obedience to the Word of God. We unashamedly preach essential doctrines such as eternal punishment, the imminent return of Christ, and the necessity of a consecrated life.

3 Comprehensive Outreach

Few if any programs can reach preschool through senior high in just one week, but NBT has age-appropriate programs for ages 4 to 18. The boosters spread the word about NBT to their friends and neighbors. By the end of the week, you will have countless new opportunities to reach more families in your community.

4 Unifying Spirit

The energy of the NBT evangelists is highly contagious—it will spread through your congregation and get them excited about investing in the lives of children. Watch your church family come together for a common goal and experience the joy of serving God.

5 Proven Results

After holding thousands of rallies for nearly 60 years, NBT has proven that it can be a mighty tool in God's hands. Kids and parents have been won to Christ, lives have been changed forever, and churches have been re-energized. Ask anyone who has experienced Bible Time about the blessing it has been.

"NBT is one of the greatest tools for the local church to use in carrying out the Great Commission and reaching its neighborhood for Christ."

The Evangelists

The Evangelists are key to the excitement of an NBT rally. We recruit godly young men from Fundamental Bible Colleges across the country. In mid-May, the Evangelists meet at our headquarters for three weeks of intense preparation and training. We cram their days full of both classroom instruction and hands-on experience.

After training, we send them out in teams of two to churches across America and worldwide. The children and teens instantly connect with the Evangelist's energy and upbeat attitude and hundreds turn out to hear the Gospel preached.

The young men come to NBT on faith, trusting the Lord to provide for their needs. Many return to travel a second or third year because they see so many young people saved and lives changed for the glory for God.

NBT Statement of Faith: NBT believes and teaches in every Rally the Divine Inspiration of the Bible, the Holy Trinity, the Deity of Jesus Christ, His Blood Atonement, His Bodily Resurrection, His Personal Pre-Tribulational Return, Salvation by Faith, Holy Living, Eternal Security of the Believer, the Origin, Fall, and Total Depravity of Man, Eternal Judgment of the Wicked, the Local Church, the Lord's Table, Believer's Baptism, New Testament Soul Winning, Separation, Missions, and the believer's obligation to witness by deed and word these truths and to proclaim the Gospel of Jesus Christ.

FROM THE DIRECTOR'S HEART

Seasons of Grace

"To everything there is a season, and a time to every purpose under the heaven."—Ecclesiastes 3:1

Throughout the book of Ecclesiastes, the writer carefully builds upon the truth that there are seasons in life and a purpose to everything. Unmistakably, the warning of Ecclesiastes is that all things are vanity unless it is the purpose and will of God. I believe that the Lord has graciously given Bible Time a season of grace for His glory!

Charles B. Homsher, founder of NBT, has often been heard saying that "Bible Time is God's program and I give it back to Him every day." I believe that God empowers Bible Time through the Holy Spirit as we seek to exalt His Son, the Lord Jesus Christ each year. I have the privilege of running into people all across this nation who have shared testimonies of life-changing decisions that were made at an NBT rally. One man shared with me that he was saved as a teenager at an NBT rally around forty years ago. About five years ago this man attended a family reunion and the family counted 70 family members who were now saved as a direct result of this man receiving Christ!! What a privilege it is to hear the testimonies of what God has done in multitudes of lives through the ministry of Bible Time.

God has also graciously used Bible Time to change the lives of thousands of young men who have traveled as Bible Time Evangelists. Today, the majority of these men are now serving the Lord faithfully in ministry or as laymen in the local church. There is not a more effective Bible training for young men than the ministry of NBT. God does a tremendous work in the lives of the young men each summer because the focus is on Him.

As the ministry of Bible Time moves forward, we desire to see God's hand of grace continue to bless this ministry as we strive to stay faithful to the Lord and His Word. Not only do we desire to continue our ministry to local churches in the United States, but we also desire to expand our ministry internationally. We have had several rallies in various foreign countries and we have also trained and sent out several young men from foreign countries as NBT Evangelists. The Lord continues to open doors for international ministry and we are excited about this new opportunity.

I encourage you to be part of this season of grace that the Lord has blessed us with by hosting an NBT rally at your church in 2011. Take this opportunity to reach the most responsive mission field—the youth in your community!

DID YOU KNOW: NBT ALSO HOLDS WINTER RALLIES?

Did you know you can host Neighborhood Bible Time—in the winter! If your church is having evangelistic meetings, NBT can provide a supporting children's program. Pastors have found that parents are more motivated to attend when their children are excited about coming. The children create opportunities to reach even more families as they invite their friends and neighbors.

The children's rally emphasizes Bible memory, bringing visitors, and a Bible lesson each night. We tailor the length of the meeting to coincide with the adult service.
