What Latinas Are Reading...

Join the **LATINA Book Club** and be part of the conversation

This Month's Feature Selection:
The New Latina's Bible

The Modern Latina's Guide to Love, Spirituality, Family, and La Vida

Join Latina for the online book club at Latina.com. Each month we will review the latest in publishing from both well-known and newly discovered writers of Latin American heritage.

Our current selection comes from Emmy award-winning journalist and former Latina magazine editor, Sandra Guzmán, and offers an indispensable guide to living, and loving, Latina-style. Published by Seal Press, which publishes groundbreaking books for women by women, this read it and share it with a friend "bible" covers the gamut in Latina women's lives — from health and sexuality to love, relationships, and career.

Log on today: www.latina.com/bookclub to find this selection and share your thoughts with other members.
