# "We'll Be Alone OO-LA-LA"

#5

*What I really want to do* is get on a plane, go to a deserted island, it would be you & I the deep blue sky no one would be the wiser, we could wear what we want or nothing at & leave the world behind us, the beach would be ours you could count on that

*We would laugh & sing & play all day in the warm & beautiful sea, As night approached we'd watch the sun dip slowly into the ocean, take a swim @ dusk make love @ night take all the time we nee, The smallest things would mean alot*

Solo

The musical score is written for guitar in G major (one sharp) and 4/4 time. It begins with a melodic line on the first staff, marked with a '16' and a '3 4'. The following six staves contain a complex rhythmic and melodic pattern, featuring numerous triplet markings (indicated by a '3' over a group of notes) and various rests. The piece concludes with a final melodic phrase on the seventh staff.

*We've got nothing to do* but lay around & drink strawberry margaritas, Let our selves explore the soul that lives just below the surface, A kiss a look a hug could last all night long, we would share our dreams our deepest thoughts.

*A walk on the beach & tossing stones is just waht the Dr. ordered, I'd like to feel the wet sand between my toes as I watch the surf roll in, The breeze in our face , the sun on our buns our bodies would turn golden brown, no tan lines for us cause we'll be in the buff*

*What I really want to do...*

*chorus out*
