

I've been a local Chef / Restaurateur for 23 years, working with Farmers, Growers and Providers of Meats, Seafood & Produce. I believe in supporting local economies & have a responsible personal relationship with the foods we serve here. Our selections change daily to maintain a fresh, unique menu. We apologize if we run out of a certain item on the menu, but **fresh is better.** We hope you have a great time...

Chef Tony

- Half Price Wine on Sunday & Tuesday
