23rd March 2011

Dear Parents,

We have kindly asked that children do not bring leather stitched or imitation leather stitched footballs into school. There have been a number of accidents during playtime where children and staff have been hurt by balls. One lunchtime, three children required medication in the space of ten minutes!

We are more than happy for the children to play football. All we ask is that they either use the balls that we have provided or that they bring in a rubber ball as they are much softer when someone is accidentally hit.

Thank you very much for your co-operation in this matter.

Yours sincerely

Suzanne Kelly
