Barton Associates Welcomes McLain as CADD Technician

York, PA – September 29, 2010 – Barton Associates, Inc., a mechanical, electrical and plumbing consulting engineering firm, located in York, State College and Harrisburg, PA, recently hired Kenneth McLain as a CADD Technician in their State College Office.

McLain is a recent graduate of South Hills School of Business and Technology with an Associate's Degree in Engineering Technology. McLain previously completed his internship required for graduation with Barton Associates. He resides in Bellefonte, PA.

As a CADD Technician working in the firm's State College office, McLain is responsible for drafting and engineering support on the firm's various projects.

Incorporated in 1968, Barton Associates, Inc. is a nationally recognized consulting engineering firm providing mechanical, electrical, plumbing, fire protection, control systems and design and commissioning services. The firm has more than 50 employees and provides engineering and consulting services for a variety of education and healthcare facilities throughout the Mid-Atlantic Region. For more information on Barton's services and experience, visit our website at www.ba-inc.com.
