### WHO SHOULD ATTEND?

Learning Assistance teachers, Special Education teachers, Classroom Teachers interested in teaching Special Education, graduate students in education, and Teachers on Call interested in upgrading their skills.

### ABOUT THE SESSION:

Participants must attend both days of training to receive all the skills needed to perform Level B testing in your schools. Surrey School District, all Alberta schools and many others consider Dr. Carter's course as certification for Level B assessments.

Four major topics to be covered in training sessions:

1. The three levels of testing and how they differ
2. The role of each level in educational assessment
3. The principles of standardized testing:
  - ✘ Provincial, national and international standards
  - ✘ Ethical test selection and use
  - ✘ Understanding measurement statistics
  - ✘ Understanding T-scores, z-scores, percentile rank equivalents, age equivalents
  - ✘ How to compare standard scores
  - ✘ Interpreting test scores to parents, teachers and children
4. Pragmatic issues in test administration:
  - ✘ Choosing standardized tests
  - ✘ Establishing basal and ceiling levels
  - ✘ Scoring standardized tests with precision
  - ✘ Meeting District and BC Ministry of Education guidelines
