

Cream City

Named after the cream colored bricks used to build Milwaukee, this amber pale ale is tasty year round.

Pours a light amber with a frothy, stable white head. The light citrus, grapefruit nose comes from American hop varieties, while caramel malts lend a backbone to their crisp, balanced bitterness. Finishes smooth with mild hop flavor.

Try this one with salads, cheeses, or any rich, fatty food. Ideal Serving Temp: 52-54° F

Alcohol by volume - 5.7%
