

Eastside Dark

Honoring the eclectic East Side of the city, this Bavarian dark lager is a blend of three specialty grains, creating a rich, smooth, dark beer that anyone can enjoy.

Pours a clear, dark color with a nice off-white head. Hints of roasted malts find their way into the aroma, and form a pleasant background to the dark, rich flavor. The German lager yeast rounds out this brew with a smooth, complex finish. New York Times' second most favorite dunkle!

Beef dishes especially go well with this brew the roasted malt character stands up well to their rich flavor. Ideal serving temp: 48-50° F.
