

BC CEC AGM
Membership Report
Jan. 10, 2012

This year, the Board of Directors decided that there should be a significant cost benefit to CEC members when attending workshops. This prompted a number of new members to join when registering to attend either the Level B Workshops or the Fall Workshop. The increased number of members indicates that this was a successful endeavour!

Membership Numbers by Type

Membership Type	December 31, 2010	November 30, 2011
Associate	2	1
