Former pupils' successors

I am sure that many of you will remember two former pupils, Edward Smiley and Claudia Wilson. We have recently heard that Edward has successfully passed the entrance examination for Eton College and that Claudia has been selected to be the next Head Girl at The Abbey School, Reading. We are always pleased to receive news of former pupils and we are delighted for both Edward and Claudia.

Teaching interviews

Last Friday, we held teaching interviews throughout the day. We are pleased that the day was a great success and once the formalities have been completed, we look forward to providing you with further information.

Fun Run

Good luck to all the runners (adults and children) who are taking part in the races on Sunday. We look forward to hearing news of the times achieved.

Sunday Gardening

Thank you to everyone who has offered help to Mrs Lewis this Sunday. We hope that the weather is kind and we look forward to seeing the new Reception flower bed.

French Lessons

The amount due for the summer term French is £16.50. (Please make your cheque payable to The Priory Primary Academy Trust).

As this half term draws to a close the children have been experiencing a variety of special enrichment activities. This week has seen Year 6 enjoying a range of different activities including shopping and cooking a two course meal, a careers talk, First Aid, knitting and forest survival skills. Thank you to the many parents and visitors who made this week such a success. Next week, the whole school will be taking part in Bollywood dancing and Architectural workshop; there will also be a drumming workshop for YR, 1, 2 and 6 and Lego workshop for Year 3 and 4. The week will finish with a Judo taster session and with Year 3 trip enjoying an educational visit to the RSPB Discovery Centre in Thatcham. We are very grateful to the Parents' Association for supporting these events, all of which help to make 'The Priory' the unique school that it is.

Have a lovely weekend.

Kind regards,

Suzanne Kelly
