

Partners in Pediatrics, LLC
Well Check Visit Schedule

The physicians of Partners in Pediatrics recommend an age appropriate well check visit. This well check visit schedule should be used only as a general guide. Your physician may recommend other services as needed.

Newborn - Check up at 1 to 2 weeks

1 month - Physical exam, metabolic screening, vaccines

2 months - Physical exam, growth and development, vaccines

4 months - Physical exam, growth and development, vaccines

6 months - Physical exam, growth and development, vaccines

9 months - Physical exam, growth and development, vaccines

12 months - Physical exam, growth and development, finger stick (hemoglobin), vaccines

15 months - Physical exam, growth and development, vaccines

18 months - Physical exam, growth and development, vaccines

2 years - Physical exam, growth and development, finger stick (hemoglobin), vaccines

3 years - Physical exam, growth and development

4 years - Physical exam, growth and development

5 years - Physical exam, growth and development, urinalysis, vision/hearing screen, vaccines

6 years - Physical exam, growth and development, yearly check-up recommended, may include finger stick (hemoglobin) and urinalysis

Routine Checkups recommended every 2 years after that until age 21 with vaccinations resuming by 12 years or entering the sixth grade. The flu shot is recommended yearly.
