

# Organic E.S.B.

One of the few beers brewed in the world using 100% certified organic ingredients including the hops!

A classic British style Extra Special Bitter that pours a brilliant amber with a nice off-white head. Organic Saphir hops lend a citrusy bite to the malty flavor to yield a very refreshing taste.

Goes great with burgers and grilled vegetables, a nice summer meal!  
Ideal Serving Temp: 52-54° F

Alcohol by volume - 5.7%

Available in the following formats:  
Cases - 4/6/12 oz Bottles (355 ml)
