WHO SHOULD ATTEND?

All Learning Assistance and Special Education teachers, Classroom Teachers interested in teaching Special Education, and Teachers on Call interested in upgrading their skills.

ABOUT THE SESSION:

Participants must attend both days of training to receive all the skills needed to perform Level B testing in your schools. Surrey School District, all Alberta schools and many others consider Dr. Carter's course as certification for Level B assessments.

Four major topics to be covered in training sessions:

1. The three levels of testing and how they differ.
2. The role of each level in educational assessment.
3. The principles of standardized testing:
 - ❖ Provincial, national and international standards
 - ❖ Ethical test selection and use
 - ❖ Understanding measurement statistics
 - ❖ Understanding T-scores, z-scores, percentile rank equivalents, age equivalents
 - ❖ How to compare standard scores
 - ❖ Interpreting test scores to parents, teachers and children
4. Pragmatic issues in test administration:
 - ❖ Choosing standardized tests
 - ❖ Establishing basal and ceilings levels
 - ❖ Scoring standardized tests with precision
 - ❖ Meeting District and BC Ministry of Education guidelines

ABOUT THE FACILITATOR:
