

BRIDGE BURNER

The Bridge Burner pours a deep, fiery amber with a rocky off-white head. The assertive aroma is dominated by Cascade and Centennial hops: citrus, floral, and pine notes all make a showing. The hops dominate, lending a hefty bitterness to the palate, but are backed up by the caramel malts, which lend a substantial body without any extra sweetness. A warm alcohol burn finishes it off with a nod to its considerable 8.0% ABV. Available in half, quarter, and sixth barrels, as well as a 22 oz. "bomber" bottle.

This brew needs a big, rich, flavorful meal to stand up to its intensity. Try it with the traditional German fare our Milwaukee ancestors would have loved, or serve it with BBQ or hamburgers.

Alcohol by Volume - 8.0%

Available in the following formats:
Cases - /22 oz Bottles (650 ml)
Half-barrels (15.5 gallons - WI only)
30L barrels (7.92 gallons - WI only)
1/6 barrels (5.16 gallons)
