

ELEMENTARY EDUCATION MAJOR - 130 HOURS

In this course we will seek to instill in students the proper philosophy of Christian education and to equip them for understanding students, employing successful teaching methods and developing valuable classroom skills. This major seeks to develop qualified Christian school teachers for the elementary levels of K-3 through grade 6. The student in this major will be trained to teach subjects ranging from reading and mathematics to Bible and physical education. The curriculum will emphasize maintaining a spiritual life as a teacher and being profitable in the classroom as well as in the ministry. The student in elementary education will be exposed to a variety of curricula available and to administration principles important for a successful school. The student will also have the opportunity to practice his teaching skills in a classroom environment.
