

ONE YEAR BIBLE DIPLOMA - 32 HOURS

Our one-year program is designed for people who are not called into full-time ministry or who are uncertain of God's calling. These students seek a good Biblical and spiritual foundation for their lives before going into the working/college student world and will give them more time to seek the Lord's will for their vocation. This program is also for laymen who want to gain a greater knowledge of the Word of God, making them more useful in their local church ministry. Students in this program of study will receive a minimum of 23 hours of Bible instruction.
