

# OKTOBERFEST

This traditional lager is brewed with generous amounts of Munich malt, giving it a wonderful orange hue with a rocky, off-white head. Light hop aromas balance out a slightly floral nose from the German lager yeast. Balanced hop bitterness offsets the substantial malt body, while the lager yeast adds a subtlety of flavor that makes this a great rendition of a German classic. Prost!

A good pairing for the hearty German fare served at Oktoberfest parties in Munich: rich sausages and pretzels, buttery spaetzle or creamy soups. Ideal serving temp: 48-50° F.

Alcohol by volume - 5.7%

Available in the following formats:  
Cases - 4/6/12 oz Bottles (355 mL)
