

Standard Investment Plan Disclaimer

Any information or advice given to you has been prepared from the information you have given us. Decisions made in reliance on or in relation to such advice are made by you. You are therefore exclusively responsible for all acts and decisions made as a result of the information supplied by us to you. You must read any relevant investment statement and other product disclosure information before making your investment decision.

Any calculated projections or any predictions given by us to you are not guaranteed and are merely an expression of opinion and are intended for illustration purposes only.

We do not guarantee the repayment of your capital or any particular rate of return. Although historical information may be provided, the information may not necessarily be a good guide to future performance.

Any taxation, asset protection or estate planning information is provided as a guide only. You should seek independent taxation and legal advice where appropriate.

While every care has been exercised and the advice and statements made by us are based on information believed to be accurate, no liability can be accepted for any error or omission that may occur. Further, our responsibilities, in connection with any material or advice given, are to you alone and neither we nor our employees accept any responsibility howsoever arising on any grounds whatsoever to any other party.

The recommendations made in this financial plan are based on current information and economic conditions available at the time of writing the financial plan. These recommendations should not be acted on after that time without further consultation with the adviser.
