MAX2000[®]
The Exclusive Line of PSI

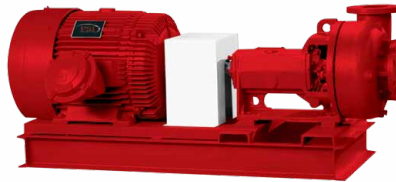

VAK1000

"Providing Solutions To Your Process Problems"

PSI Product Line

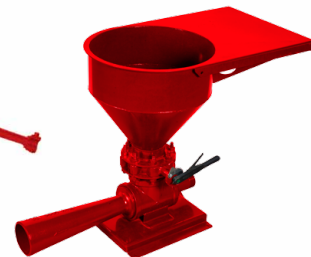

Pumps

MAX2000[®] Progressive Cavity Pumps
Centrifugal Pumps
(Diesel or Electric Driven)
Trash Pumps
Gear Pumps
Fuel Filtration Pumping Stations
Brake Cooling Units

Mixing Equipment

MAX2000[®] Mud Agitators
MAX2000[®] Mud Guns
MAX2000[®] Mud Mixing Hoppers

Solids Control Equipment

VAK500[®], VAK1000[®], VAK1200[®] Vertical Compact Vacuum Degassers
Desanders
Desilters
Atmospheric Degassers
Mud Gas Separators
(H₂S Trim & ASME Vessels are available)
Suction Strainers
MAX2000[®] Bug Blaster

Conveyors

Screw Conveyors

Auger Tanks

Screw Conveyor Replacement Parts and Drives

Gearboxes

Mechanical Variable Speed

Inline

Parallel Offset

Variable Speed Traction Drive

Right Angle

Wormgear Boxes

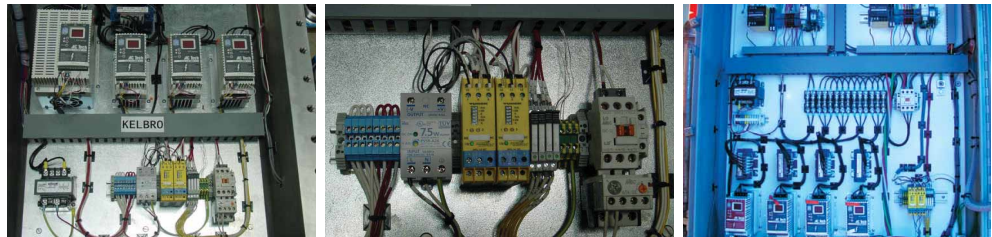

Planetary

Electrical

Starters (NEMA & IEC)

Variable Frequency Drives

Motors

Motors & Starters are available with international conformance certificates

Custom Fabrication

Tanks, Skids, Stands, Grasshoppers, etc.
