Volunteers

The success of the 2007 Nationals depends on volunteers! If you have a spouse, family members, or friends who can help out, please have them register at the Volunteers page on the AAC Nationals website. We have a large number of volunteer positions still waiting to be filled—no experience is necessary and all volunteers will be offered a variety of gifts, including an official event t-shirt, reduced-cost meals and accommodation, and a front-row seat at this prestigious event.

Sponsors and Vendors

The 2007 Nationals Committee has secured the generous backing of many sponsors and vendors. Please support our sponsors and vendors who are materially contributing to the success of the Nationals. A full list of sponsors and vendors and information about sponsorship and vending opportunities is available at the Supporters and Vendors pages on the AAC Nationals website.

Crating Area and Shade Tenting

A secure crating area will be reserved for the use of Nationals competitors. Shade tenting will also be available for the exclusive use of competitors.

Competitors will be able to commence set-up in the crating area on Wednesday, 15 August, at 12:00 noon.

Limited numbers of x-pens and crates are available for rental by competitors. Please contact Cindy Boht at mossstheboss2000@rogers.com for additional information.

***Setting the Pace* Banquet and Equestrian Show Jumping Demo**

Join us for a dazzling banquet to be held shortly after the rings close on Saturday, right on site! Our Chef Chris, from Harbour 60 Steakhouse in Toronto, is a fellow agility competitor who has generously agreed to share his flare for out-of-the-ordinary recipes he holds dear to his heart. Chris comes from a family of chefs and is proud to host us for this special meal. Relax with your dogs on the Halton Place greens, then come on over to the banquet. The settings and food will be all dressed up, but you don't have to be. Dress is 'off-the-course-casual'. Delight in a menu of tempting appetizers, oven-roasted fish, beef, and chicken spiced with garden fresh herbs, lots of salads, lots of veggies, and all-time favourite finger foods. Satellite buffet stations will help you mingle with people from coast to coast. Be sure to check out the dessert stations! A dynamic Equestrian Show Jumping Demo and Parade follows our banquet, right outside the banquet hall. This is great fun and a special treat to witness the beauty of horse show jumping, which is of course agility's root. The equine stars will mingle with us afterward for a close-up chat.

Tickets \$30; Volunteers \$20 (+ GST)

Ticket price includes dinner and Equestrian Show Jumping Demo.

Please register on the AAC Nationals entry form.

National Championship Eligibility

- All dogs who qualified at their designated Regional championship or at the Nationals Pre-Qualifier with 300 or more points are eligible to compete in the 2007 National Championships.
- All 12 height division champions from the 2006 AAC National Championships will receive an invitation to compete in the 2007 National Championships. This entitles them to bypass the Regional Championship event if they so choose and be granted free entry (including Banquet) to the National Championships.
- Dogs who have achieved their AAC Lifetime Achievement Award prior to the closing date of the 2007 AAC National Championships will be eligible to enter the National Championships without the need to qualify via any Regional qualifying event. Normal Nationals entry fees will apply.
- Competitors, through submission of entries, acknowledge that they are aware of the rules and regulations of AAC.
- Dogs less than 18 months of age, bitches in season, dogs suffering from any injury or illness that affects the dog's physical or mental performance, and ANY dog which demonstrates signs of aggression towards people or other dogs shall NOT be permitted to compete in the National Championships.
- National Championship Qualifiers must supply a dog AAC # on their entry form. All dogs must run at the height and category in which they currently compete in AAC events.
- National Championships are subject to all AAC rules and regulations except where indicated in the Regional and National Rules and Guidelines.

Reminder to Competitors

- Dogs must remain on leash and under control at all times when not competing or warming up, except in specific off-leash areas at the trial site that will be marked.
- Dogs must be exercised in designated areas only. You must pick up after your dogs on the show grounds and at your hotel. Anyone found not picking up will be excused from the trial site with no refund of entry.
- Competitors shall have the right to videotape portions of this event for their personal use only. No portion of this event may be taped for commercial purposes without the permission of AAC.
- Through entry to this event each competitor grants to the AAC and its representatives and/or agents all rights and permission to use or appropriate his/her and his/her dog's name, biography, likeness, photograph, voice, performing persona, or other indicia of identity for broadcast, telecast, cablecast transmission or distribution in any format or media now known or hereafter to become known. All competitors hereby release AAC and its representatives and/or agents from any claim or cause of action for invasion of the rights of privacy, right of publicity, right of personality or any similar right.
- No bitches in season will be accommodated on site. In the event that there is a complaint of suspicion of a bitch in season on site, all intact females may be checked by a veterinarian. A filing fee for complaints may be assessed. Competitors that enter the main gate entrance to the Nationals facility knowing their bitch is in season, will have the bitch excluded from the Nationals with no reimbursement of funds. If a competitor voluntarily withdraws their bitch prior to entering the event site, they will be reimbursed a full refund of entry fees.
- Breed Specific Legislation is in effect in Ontario. A Pit Bull Terrier, a Staffordshire Bull Terrier, an American Staffordshire Terrier, an American Pit Bull Terrier, or a dog that has the appearance of a "Pit Bull" is not allowed to compete in the 2007 AAC National Championships. Any Pit Bull, as defined by provincial legislation, must be leashed and muzzled on the grounds of the Halton Place Equestrian Centre.
- There shall be no refunds for entries withdrawn after the closing date, in the event the dog is absent on the day of the trial, cancellation of the event due to inclement weather, or if the dog and/or handler are dismissed from competition, regardless of the reason for such dismissal. Refunds will only be provided for bitches in season or injured dogs, provided notification is received by the trial secretary prior to the first day of the National Championships. A veterinarian's (DVM) certificate is required for this refund to be given. Any handler who is found to abuse a dog will be disqualified and asked to leave the trial site immediately.
- Individual confirmations will be sent to each competitor upon receipt of his/her entry. This information will also be posted to the AAC Nationals website. Each competitor is responsible for confirming with the Trial Secretary the correct class, jump height, and any additional information. Please do not telephone or e-mail the Trial Secretary unless a change or correction in your competitor information is necessary. If you require confirmation of delivery of your entry, send it via Express Post or courier with delivery confirmation with no signature required by the Trial Secretary.
- There will be a \$20.00 service charge for returned cheques. Overpayments of \$10.00 or less will not be refunded.
- Nationals competitors must wear their Regionals shirts in the Sunday Standard round.

2007 NATIONALS STEEPLECHASE CHAMPIONSHIP PROGRAM

Sponsored by Urban Carnivore Hosted by Jumping for Joy Dogsports

The 2007 Nationals Steeplechase Championship Program will consist of three rounds. The first round will be an unlimited entry, AAC sanctioned Steeplechase event, judged according to current AAC rules and regulations and **OPEN TO ALL DOGS ELIGIBLE TO COMPETE IN AAC SANCTIONED EVENTS**. Both the second and third rounds will be 'by invitation only' based on performance in the previous rounds.

Round 1: Thursday, August 16, 2007

Closing date for entries: Friday, July 13, 2007
For Exhibition Only runs will not be allowed.

Tentative Timeline (final timelines will be included with trial confirmations):

Check in: 9:00 - 11:00 a.m.

Measurement: 10:00 - 10:30 a.m.

Judge's briefing and walk-through: 10:30 a.m.

First dog on the line: 11:00 a.m.

Round 2: Saturday, August 18, 2007

This event will include the top 50% of competitors in each jump height from Round 1. Placements from Round 1 will be determined using a time plus faults format (NOT the fastest qualifying scores). Round 2 will be a *non-sanctioned* Steeplechase event, but will be judged according to current AAC rules and regulations. Competitors will start the second round with a clean slate; scores from Round 1 will not be carried forward to Round 2.

This event will be included in the 'round robin' for the Nationals aggregate events held on Saturday. As each group rotates to the Steeplechase event, those competitors invited to participate in Round 2 will compete. Competitors in each group who are not invited to compete will have a break in their schedule for this rotation. Round 2 will take place in one ring.

Round 3: Sunday August 19, 2007

The top 25% of competitors (minimum of 3 dogs, maximum of 15 dogs) from each height class in Round 2 (determined by a time plus faults format) will be invited to compete in the 2007 Nationals Steeplechase Championship finale. This event will take place after the last Nationals aggregate event has been completed. Again, competitors in the final round will start with a clean slate and will run in reverse order, with the highest placing dogs from Round 2 in each height class running last. Classes with small numbers of competitors will be combined using the following guidelines:

- a. Special and Veteran height classes (i.e., 6" S + V, 10" S + V, 16" S + V, 22" S + V) will be combined if the total number of dogs equals 10 or less in Round 2
- b. Regular Mini dogs (10" and 16") will be combined if the total number of dogs equals 10 or less in Round 2
- c. Regular Open dogs (22" and 26") will be combined if the total number of dogs equals 10 or less in Round 2

Prizes and Awards

Round 1: Placement ribbons for 1st - 4th place in all height divisions

Qualifying rosettes for all qualifying scores

Title rosettes for competitors achieving the Masters Steeplechase Dog of Canada title.

Round 3: Finalist ribbons and dry weave shirts will be presented to all dogs competing in the final round

Awards and prize money will be distributed in each jump height, with prize money based on a relative percentage of the total entry fees received in each height class. Final decisions on the number of placements per jump height to be awarded prize money will be dependent on the number of dogs participating in the final round within each height class.

The minimum amount of prize money available to be awarded is \$8,500 (across all jump heights). The total amount available for prize money may increase, depending on the number of entries received. This will be confirmed when entries close.

Please use the Nationals entry form to register for the Steeplechase event.
