

# PROGRAM

*Welcome to State of the Arts: Producing Change--Creating a Better World. To stay in line with our desire for a cleaner, greener world we are creating an online digital program. You can access it here directly via the web, or by utilizing the QR codes found on signs throughout the event. You may also access the program via the PDF link and print it (if you must). Please remember to recycle. Thanks!*

*NOTE: Those watching the live stream of the event found at: <http://www.c3so.com/live-stream.html> may participate by either entering a question or comment in the Check-in and Chat section to the right of the video screen, or may tweet their questions or comments with the twitter hash tag #SAO11*

## **Happier Hour**

Join us for the Happier Hour in the Beaudry lobby and in front of the Beaudry Building. The happier hour includes food from our fabulous food trucks (No Tomatoes and Curb a Peel) drinks from our beverage sponsor: Sip Tea, information and demos from our other wonderful sponsors and partners, and lots of wonderful networking.
