

TRUE EVEL

True Evel Daredevil Ale represents the bold and fearless spirit of legendary daredevil and icon, Evel Knievel. Unrelenting amounts of 2-row pale malt give True Evel a body as strong and resilient as Evel himself. The intrepid red tone comes from generous amounts of roasted malts, adding a unique malty sweetness. Saaz and Mout Hood hops are added for a distinctly clean finish. The taste of True Evel embodies an Evel Knievel performance: a brief thrill becomes a memorable experience.
