Dear praying friends,

November 2010

Praise the Lord:

How wonderful to see the precious hand of our heavenly Father upon us and to experience the promises and the power of God, just as Nehemiah experienced it in Nehemiah 2:18, where he told the people how the precious hand of God was upon him. We have experienced something similar as we ended our third year in St-Liboire, QC. All we can say is, Praise the name of the Lord!

Three years ago, the ministry in Quebec began with opposition, and we ended the third year with a severe attack from the power of darkness. But through God's Word, the Holy Spirit told us to keep our eyes focused on Jesus and we would not sink, as Peter did when he asked Jesus to enable him to walk on the stormy waters (Matthew 14:28-31); we remembered that Peter walked on the water until he turned his eyes off Jesus and sank. In August we saw the precious hand of our great God when He sent a driver to the chapel to tell us about God's grace—that through God's grace no harm will come to us. We have seen two drivers accept Jesus as their Savior and another recommit his life to Him.

More Salvations:

In September we experienced the joy of leading my eighty-seven-year-old sister to accept Jesus as her Savior, after praying for her salvation for over fifty-three years. On October 24, after we shared the Word of God and the ministry of TFC in a church, a man accepted Jesus as his Savior; then on November 2, a French driver came into the chapel, and after we shared how he could have a relationship with God, he also accepted Jesus as his Savior. Again, what can we say but, Praise the name of the Lord!

Fundraising supper:

We have seen the precious hand of God upon us once again with our second fundraising dinner in Quebec. We did not have as many people as we expected, but the name of God was glorified in everything that was accomplished. Huguette and I say **THANK YOU** to the many who helped with this event: the committee who helped us organize this supper, the cook who prepared the food, those who helped serve the food, and the worship team from our church who did an excellent job of ministering in music. We also thank Julie, a lady from our church, who put together the video of the events of the year at the chapel. We give praise to our wonderful heavenly Father for taking care of everything for us.

Coming events:

As we write, we are looking forward to attending the annual Global Mission Fest in Montreal (November 5-7), where we will be able to share the ministry of TFC with many people who will be coming by our kiosk. We praise the Lord for the privilege of sharing what our great God is doing among the truck drivers in Quebec. Yes, God is doing a wonderful work in touching the heart of our

precious French drivers who spend hours behind the wheel of their big rigs! In December, we are planning to distribute Christmas stockings to all drivers who will spend Christmas at the truck stop. Pray that we will be able to share the precious Gospel of Jesus with them. This project is just one of the many ways in which we minister the love of Christ to the truckers who come by the Irving Big Stop in St-Liboire; and you are a part of all we do when you support us with your prayers and finances.

Huguette and I would like to take this opportunity to wish you a blessed Christmas as you celebrate the birth of Jesus. Let us remember the wonderful love of God toward us in that He gave us His only Son to come to this earth to take our judgment and sins on the cross of Calvary. In John 3:16, God made the first step to invite us to have a relationship with Him through Jesus. “For God so loved the world [that’s you and me] that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.”

Prayer Requests:

- Opportunity to speak at local churches in Quebec
- Wisdom and knowledge as we meet drivers at the truck stop
- Alertness to the needs of drivers
- More volunteers to help on the chapel
- Christmas stocking for drivers

In His Love,

Claude & Huguette Mathieu
