NEW HOUSE

We're all moved in. Alpha Phi has built their third house on campus, and this is the best one yet! With four stories and many cozy rooms, it is the best place to relax with your sisters.

PHILANTHROPY

THE ALPHA PHI FOUNDATION SUPPORTING WOMEN'S HEART HEALTH

Alpha Phi is one of the few fraternities with it's own foundation. The Alpha Phi Foundation. Check it out. Alpha Phi is dedicated to improving woman's heart health. By supporting sisters in need, encouraging academic excellence, and educating all about the value of our philanthropy, we raise awareness and not to mention (lots of \$\$\$) each year for the Alpha Phi Foundation.

#ALABAMAALPHAPHI

We are so excited to meet each and every one of you in the fall.
Have an awesome senior year!
