

# NOVA SCOTIA OUTDOOR LEADERSHIP DEVELOPMENT PROGRAM

## NSOLD Leadership School Fall 2011

The Nova Scotia Outdoor Leadership Development Program (NSOLD) Outdoor Leadership School can help provide you with a greater insight into advancing your overall effectiveness as a leader, whether you are a seasoned guide, a recreational or volunteer leader, a friend or a parent leading the family.

The NSOLD Leadership School incorporates theoretical and practical leadership experiences allowing participants to: gain a better understanding of themselves and others; learn to recognize different interpersonal styles of individuals; and, develop a deeper understanding of group dynamics and the role of leadership within those groups.

All participants will receive an in-depth leadership assessment on the effectiveness of their leadership style.

Founded in 1979, NSOLD aims to enhance the quality and quantity of outdoor leaders in Nova Scotia through a comprehensive, experiential leadership development process. For more information check out their website @ [www.nsold.ca](http://www.nsold.ca)
