

ALDO XOCHIHUA

ARC Graduate 2004
TRUCKEE HIGH SCHOOL, 2007

Describe Your Best Experience at ARC:

My best experience at ARC was when we went to do different challenges with my group members and I would be there to support them through everything. I would always try to help others when they struggled and push them so they could better themselves. Group members knew they could depend on me when they struggled.

Who is Your Role Model? Why?

Michael Jordan is my role model, because he always played 100% and he was always thinking of others. He involved his teammates and accomplished great things.

How Did You Change After ARC?

Before I came to the ARC program I never had confidence and I counted on others. But after the program I was more confident in everything I did, and I became more independent. I now love to try new things and I am willing to be more spontaneous and take risks thanks to the program.

Passions:

My passions in life is to help others and make a positive change in others lives . I will save as many people as possible when I work as a paramedic and influence others to do the same. I love fire, and love putting it out. It has been my long life dream to become a fire fighter.

What Are Your Goals for the Future?

I will attend REMSA for paramedic schooling, then upon graduation find a fire fighting position in the Tahoe area. My ultimate goal is to save as many lives as I can.

Work Experience: I have worked at Village Pizzeria from 9/23/2004 until today, I worked as a busser, a to go server, a host, and now I am a server. I love the job and the atmosphere. I have worked with North Tahoe Fire Department since 3/23/08 for observation and hands on time with patients. I have also been at Truckee Forest Hospital 3/27/08 and did observation time.

What Are Your Strengths?

I'm very independent but I also work well with others; if I have any obstacle in my way I will never give up and I will work until it is finished. I work well under stress, and I am proficient at patient care. I am bilingual, and have great communications skills. I am a great leader and know how to take orders.
