

DATA STORAGE

Is your data secure?

We are pleased to introduce a leader in secure data storage for government and healthcare markets, **the Imation Defender Collection!** The Imation Defender collection specifically targets the needs of government and healthcare organizations that require the highest quality data storage security by addressing critical security and compliance requirements. The Imation Defender Collection helps organizations prevent costly data breaches and ensure that all sensitive data remains safe.

Are your customers using the newest **LTO-5 tape technology?** Make sure your customers don't miss out on the latest generation of tape storage, from major manufacturers such as **HP, Imation, Maxell** and **TDK**, which doubles the capacity and speed of previous generations. Look for these products throughout this section!

We understand the importance of having competitive pricing quickly! Our Media Sales Champion can secure bid support on the products that matter most to your business; products such as Mid-Range Cartridges, Removable Hard Disk Drives, Flash Drives, and Optical Media from all the major manufacturers. Our goal is to give dealers like you an edge over the competition.

In addition to superior data storage and backup solutions, we also offer a full selection of flash drives, optical media and data cartridges from **Memorex, Maxell, HP, Sony, TDK, Imation** and **Verbatim**.

HP STORAGEWORKS
X510 DATA VAULT

BIG idea. SMALL price.

As a small business, the HP Data Vault gives you everything you need to store, secure and share your business files. It's the first time anyone has managed to make big business, network attached storage a simple reality for emerging business owners. It's powerful. It's simple. And it doesn't break your bottom line.

STORE it. SECURE it. SHARE it.

Ultrium LTO 5 Tape Media

STORAGE MEDIA FOR PROFESSIONALS

Optimized for high capacity and performance with outstanding reliability in either stand-alone or an automated environment, the TDK Life on Record Ultrium LTO 5 tape cartridge ensures the same long archive performance users expect from TDK. With 1.5TB of native storage or 3.0TB of compressed storage, TDK LTO 5 tape cartridges almost double the capacity of existing LTO 4 cartridges, providing effective backup, restore and archival of critical data.
