

Lend a Hand

Verse 1:

Come join hands
Throughout every land
Please heed the call
And walk through the door
It's time to understand
It's time to lend a hand
It's time to make a stand
It's time – yes it's time
Yes it's time.....

Chorus:

Lend a hand, lend a hand, lend a hand and make a stand (repeat)

Verse 2:

Can't you hear?
The cry of the world
Can't you feel?
It's now time to heal
It's time to understand
It's time to lend a hand
It's time to make a stand
It's time – yes it's time.....

Chorus:

Lend a hand, lend a hand, lend a hand and make a stand (repeat)

Bridge:

It's up to you
And everything you do
No matter how small
We feel it all
Hold on to your truth
And heed the call

Chorus:

Lend a hand, lend a hand, lend a hand and make a stand (repeat)
